23RD May 2008

APCOA AWARDED LONDON LUTON PARKING CONTRACT

APCOA Parking has been awarded the contract to operate the Car Parking facilities at London Luton Airport. The contract commences on 1st July 2008.

APCOA already operate parking at London Heathrow, London Gatwick and Edinburgh airports; they will manage 7,695 public parking spaces covering the short-term, mid-term and long-term car parks, as well as managing the airport staff car parks.

The contract also includes the management of the airport's on-line pre-booking facility, as well as the launch of a new "Meet and Greet" valet parking service.

London Luton Airport is one of the UK's busiest, with passenger numbers at almost 10 million during 2007. EasyJet, Ryanair, Wizz Air, Monarch, Aer Arann, Silverjet, Thomsonfly, SkyEurope, First Choice, XL Airways, Flybe and Thomas Cook operate from the airport, departing to over 90 destinations including services to Europe, Africa and North America.

Martyn Lloyd, Commercial Director at London Luton comments: *"We felt confident in working with APCOA, following their very impressive proposal. The APCOA team brings a combination of experience and innovation already proven at their other airport parking operations in the UK and across Europe that will be of considerable advantage to our customers."*

APCOA's Managing Director Chris Pullen adds *"We are delighted to have been awarded the on-airport parking contract at London Luton. We currently park 3.85 million cars a year at the airports we already manage, and have a wealth of knowledge in the airport parking sector. I am convinced that we will add value to the customer experience."*

The 5-year contract strengthens APCOA's UK market share and further endorses its position as a preferred partner in the world of parking.
